

CELINA  **CHRISTIAN**
ACADEMY

Dear Prospective Parents,

Thank you for your recent request for information about **CELINA CHRISTIAN ACADEMY**.

The school began with Kindergarten in 2003, and now has grades Pre-K through Sixth. The Lord has blessed us, and we look with anticipation to the future to see how His plans for us to expand come to fruition.

The mission of Celina Christian Academy is to provide educational excellence; teaching the whole child the whole truth with a Christ-centered foundation. Our vision is to develop effective leaders who embody Godly character, academic achievement, and biblical truths to influence society for the glory of God.

At CCA your child will be surrounded by Christian teachers who aspire to share God's love. Your child will share in God's beauty as they create in music, art, computers and language. They will see His hand in history as they study our country and world. They will learn of God's power in science as they experiment. Math will help them see how God's world has order, and Reading will take them places they've never imagined before.

Thank you for prayerfully considering **CELINA CHRISTIAN ACADEMY** and the outstanding education experience it can provide for your child.

Please feel free to contact us if we can answer any questions or be of any service to you.

For Him,

Kim Herron
Principal
